CME CREDITS

Yale School of Medicine designates this live activity for a maximum of **1.0 AMA PRA Category 1 Credits™** per session, a total of **12.0 AMA PRA Category 1 Credits™** for the series. Physicians should claim only the credit commensurate with the extent of their participation in the activity

FINANCIAL STATEMENT

The Yale School of Medicine, Department of Internal Medicine, Section of Digestive Diseases and Yale New Haven Digestive Health are grateful to their supporters. They are acknowledged in all program materials.

LEARNING OBJECTIVES

- Describe how to implement evidence-based medicine in the diagnosis and management of gastrointestinal and liver diseases
- State the role of emerging technologies for medical and surgical management of gastrointestinal diseases
- Evaluate different views in controversial areas of the surgical and medical management of gastrointestinal and liver diseases
- Outline up to date guidelines for the monitoring and management of gastrointestinal diseases
