Details

ACCREDITATION STATEMENT

The Yale School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION STATEMENT

The Yale School of Medicine designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FINANCIAL SUPPORT

The Yale School of Medicine, Department of Neurology is grateful to its supporters. They are acknowledged in all conference materials.

DISCLOSURE POLICY

It is the policy of Yale School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating as speakers in these programs are required to disclose any relevant financial relationship(s) they (or spouse or partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interests. The Center for Continuing Medical Education will ensure that any conflicts of interest are resolved before the educational activity occurs.

DIRECTIONS

The Omni New Haven Hotel at Yale is located at 155 Temple Street, New Haven, CT.

From I-95 North and I-95 South

Take Exit #47 and proceed onto Route 34. Take Exit #1 on Route 34 and follow to the first traffic light. Turn right at light (Church Street) and follow to the third traffic light. Turn left at the third traffic light (Chapel Street) and follow to the first traffic light—turn left (Temple Street) and the hotel is on your left (155 Temple Street). Directional city signage (Large yellow signs) is also available to assist from the I-95 exits.

From I-91 South

Take Exit # 3 (Trumbull Street) – go to the third traffic light and take a left onto Temple Street. Follow Temple Street and proceed through three traffic lights. After the third traffic light, the Omni is located on the left (155 Temple Street).

PARKING

Omni Hotel On-site Parking Garage: Covered self-parking, located in the garage below the Omni hotel, will be validated. Any participants who opt to use valet or on-street parking are responsible for the corresponding fees.

Harvey and Kate Cushing
Professor of Neurosurgery
Director of Epilepsy Research,
Neurosurgery

Benjamin Tolchin MD, MS
Assistant Professor of Neurology

GUEST SPEAKER

Monica Anzelone
Program Coordinator,
Epilepsy Foundation of Connecticut

YALE SCHOOL OF MEDICINE SYMPOSIUM

This symposium will take place at the Omni New Haven Hotel, 155 Temple Street, New Haven, Connecticut.

Epilepsy and seizures affect almost 3 million Americans of all ages. Tremendous advances have been made in epilepsy treatment over the years, including new pharmacological approaches, surgery, neurostimulation, dietary modification and other nonpharmacological treatments. Despite these advances, a large proportion of patients continue to have seizures, possibly partially due to the gap between established treatment recommendations and the actual care patients receive.

This activity will provide participants with the tools to stay up-to-date on new advances in the treatment of epilepsy and related disorders and will increase participants' awareness of emerging diagnostic and therapeutic options.

7:00 AM Registration and Continental Breakfast

8:00 AM Welcome and Introductions
Dennis D. Spencer MD

**SESSION I
OFFICE-BASED MANAGEMENT I: THE FUNDAMENTALS**

8:15 AM Update on Antiepileptic Drugs
Richard H. Mattson MD

8:45 AM Neuroimaging Cases in Epilepsy
Richard A. Bronen MD

9:15 AM Neurostimulation and Consciousness in Epilepsy
Hal Blumenfeld MD, PhD

9:35 AM Epilepsy Fellow's Patient Case: Part I
Epilepsy Fellow

9:50 AM Refreshment Break

**SESSION II
OFFICE-BASED MANAGEMENT II: EMERGING TREATMENTS**

10:05 AM Management of Seizure Clusters and Rescue Plans
Lawrence J. Hirsch MD

10:30 AM The Role of The Neurologist in Treatment of PNES
Benjamin Tolchin MD, MS

10:55 AM Seizure Prediction, Wearable Devices and Alarms
Imran Quraishi MD, PhD

11:20 AM Epilepsy Fellow's Patient Case: Part II
Epilepsy Fellow

11:35 AM Epilepsy Fellow's Patient Case: Part III
Epilepsy Fellow

11:50 AM Questions and Answers

12:05 PM Lunch

**SESSION III
EPILEPSY SURGERY**

1:00 PM Epilepsy Surgery Cases
Eyiyemisi Damisah MD; Jason Gerrard MD, PhD, FAANS;
and Dennis D. Spencer MD

1:30 PM Epilepsy Surgery Outcomes
Pue Farooque DO

**SESSION IV
STATUS EPILEPTICUS**

1:50 PM Multimodality Monitoring in Status Epilepticus
Emily J. Gilmore MD

2:10 PM Follow-up of Status Epilepticus After Discharge
Adithya Sivaraju MD, MHA

2:30 PM Refreshment Break

**SESSION V
SPECIAL CASES IN EPILEPSY**

2:40 PM Managing the Transition to Adulthood
Vinita Misra Knight MD, MPH

2:55 PM Cancer Treatment and Epilepsy
Aline Herlopian MD

3:10 PM The Differential Diagnosis of Epilepsy
Jeremy Moeller MD, FRCPC

3:25 PM Questions and Answers

3:30 PM Epilepsy Foundation
Monica Anzelone

3:45 PM Closing Remarks and Adjourn
Lawrence J. Hirsch MD

This course will enable participants to:

- ~ Update their knowledge of new antiepileptic medications
- ~ Apply the most recent imaging techniques in patients with epilepsy
- ~ Develop plans for rescue therapy in treatment of seizure clusters and prolonged seizures
- ~ Discuss the role of the neurologist in the treatment of psychogenic nonepileptic attacks
- ~ Identify patients who might be candidates for a clinical trial for epilepsy
- ~ Recognize issues in managing the transition to adulthood in patients with epilepsy
- ~ Apply a rational approach to therapeutic monitoring of antiepileptic drugs
- ~ Discuss the surgical treatment options for patients with epilepsy, including neurostimulation
- ~ Develop an approach to the differential diagnosis of seizure-like spells
- ~ Discuss options for seizure safety, including wearable devices and alarms
